Why Gymnastics?

A quality gymnastics sports program for children can play a tremendous part in a child's development toward a healthy and active adulthood. Gymnastics provides a variety of movement which develops muscular coordination. A positive experience in sports, such as Gymnastics, is an excellent method for building confidence, strength, coordination, flexibility, and a positive self image. We believe positive yet disciplined activities can become a lifestyle.

Our Gymnastics Facility and Staff

Our state of the art gymnastics facility contains more than 6,500 square feet of training areas dedicated to boys and girls gymnastics. Completely equipped with approved USA Gymnastics apparatus and training equipment for the preschooler through advanced gymnast. We have all the latest training aids for the development of gymnastics including an in-ground trampoline, foam pit and tumble-trampoline. At Saddle Rock School of Gymnastics our coaching staff must meet our highest expectations, including a background check, previous experience working with children, and experience in gymnastics both as a coach and participant. All of our coaches strive to teach, guide, and develop your child into a better gymnast and person.

Annual Registration fee per student \$30
